Assurance Health System's Positive Approached to Care Seminar by Dr. Beth Nolan

Campbell Hall

Wednesday, June 6, 8am – 12:30pm

Additional information: Assurance Health Pasadena is proud to bring The Positive Approach to Dementia Care Seminar to Pasadena, Texas. The Positive Approach to Care Seminar is focused on providing a dynamic, collaborative forum for both the public and all healthcare professionals across the spectrum of long-term care, by providing 3 free CE's for nurses, licensed social workers, and psychologists. This educational seminar is also open to memory care directors, CNAs, caregivers, families and anyone else who seeks to learn more about dementia. Keynote speaker, Dr. Beth Nolan, works alongside world-renowned dementia educator, Teepa Snow by training advocating and offering techniques used by professionals and families working or living with dementia or other brain changes. Dr. Nolan received her PhD in applied gerontology from the University of Kansas, holds master's degrees in Human Development and Applied Behavior Analysis and completed her post-doctoral training in geriatric psychiatry at Western Psychiatric Institute and Clinic in Pittsburgh. For 20 years, she worked with a variety of human services agencies to translate and implement evidence-based programs for behavioral health, criminal justice, medicine and senior living. Dr. Nolan serves as Lead Mentor, Trainer and Coach for Teepa Snow and directs research at PAC, working to improve skills to move caregivers to become better care partners. Topics covered during this seminar will be: Positive Approach to Dementia Care, Non-Pharmacological Behavioral Interventions & Techniques, and Dementia and the Changing Brain
