AGENDA REQUEST

CAPTION: Bid # 13-019

Request for an ordinance authorizing acceptance and awarding a contract for Submersible Wastewater Pumps to the lowest bidder meeting all the specifications, Pumps of Houston, PO Box 670625, Houston, TX 77267. The term of the contract shall be for a period of one (1) year with the option of two (2), one (1) year renewals in 2014 and 2015.

RECOMMENDATIONS & JUSTIFICATION: Staff solicited bids for Submersible Wastewater Pumps and received two (2) bids.

The apparent low bidder, Canamidex International Corp did not meet all the specifications, furthermore, this company is in Canada and the delivery times range from 36 to 80 days. It is in the City's best interest to award the contract to Pumps of Houston. Pumps of Houston is the regional distributor for Myers Submersible Pumps and has pumps and parts on hand in Houston.

This contract will be utilized by the Wastewater Maintenance department for the purchase of new submersible pumps and repair parts when necessary.

Staff is requesting Councils approval for an annual contract with Pumps of Houston.

Estimated Annual Expense: $64,426.20 ($10,000 remainder of FY13, balance of FY14)

8. INTERLOCAL PARTICIPATION

8.1. The City may, from time to time, enter into Interlocal Cooperation Purchasing Agreements with other governmental entities or governmental cooperatives (hereafter collectively referred to as "Entity" or "Entities") to enhance the City’s purchasing power. At the City’s sole discretion and option, City may inform other Entities that they may acquire items listed in this Invitation for Bids (hereafter "IFB"). Such acquisition(s) shall be at the prices stated herein, and shall be subject to bidder’s acceptance. 8.4. Vendor authorizes City’s use of Vendor's name, trademarks and Vendor provided materials in City’s presentations and promotions regarding the availability of use of this contract. The City makes no representation or guarantee as to any minimum amount being purchased by City or Entities, or whether Entity will purchase utilizing City’s contract.

9. ADDENDA

When specifications are revised, the CITY OF PASADENA Purchasing Department will issue an addendum addressing the nature of the change. Bidders must sign and include it in the returned bid package.

10. SILENCE OF SPECIFICATIONS

The apparent silence of specifications as to any detail, or the apparent omission from it of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practice is to prevail and that only material and workmanship of the finest quality are to be used. All interpretations of specifications shall be made on the basis of this statement. The items furnished under this contract shall be new, unused of the latest product in production to commercial trade and shall be of the highest quality as to materials used and workmanship. Manufacturer furnishing these items shall be experienced in design and construction of such items and shall be an established supplier of the item bid.

11. NAME BRANDS

Specifications may reference name brands and model numbers. It is not the intent of the CITY OF PASADENA to restrict these bids in such cases, but to establish a desired quality level of merchandise or to meet a pre-established standard due to like existing items. Bidders may offer items of equal stature and the burden of proof of such stature rests with bidders. The CITY OF PASADENA shall act as sole judge in determining equality and acceptability of products offered.

12. RECYCLED MATERIALS

CITY OF PASADENA encourages the use of products made of recycled materials and shall give preference in purchasing to products made of recycled materials if the products meet applicable specifications as to quantity and quality. CITY OF PASADENA will be the sole judge in determining product preference application.

13. INSPECTIONS & TESTING

City of Pasadena reserves the right to inspect any item(s) or service location for compliance with specifications and requirements and needs of the using department. If a bidder cannot furnish a sample of a bid item, where applicable, for review, or fails to satisfactorily show an ability to perform, the CITY can reject the bid as inadequate.

14. PRICING

Prices for all goods and/or services shall be firm for the duration of this contract and shall be stated on the Bid Pricing form. Prices shall be all inclusive: No price changes, additions, or subsequent qualifications will be honored during the course of the contract. All prices must be written in ink or typewritten. Pricing on all transportation, freight, drayage and other charges are to be prepaid by the contractor and included in the bid prices. If there are any additional charges of any kind, other than those mentioned above, specified or unspecified, bidder MUST indicate the items required and attendant costs or forfeit the right to payment for such items. Where unit pricing and extended pricing differ, unit pricing prevails.

15. BID FORM COMPLETION

Unless otherwise specified, Bidders must use the bid forms supplied by the Purchasing Office. Fill out and return to the City Secretary’s Office. An authorized representative of the bidder should sign the Bid Sheet. The contract will be binding only when signed by the CITY OF PASADENA, funds are certified by the CITY Controller, as applicable, and a Purchase Order issued.
16. SCANNED OR RE-TYPED RESPONSE
If in its bid response, bidder either electronically scans, re-types, or in some way reproduces the City's published bid package, then in event of any conflict between the terms and provisions of the City's published bid specifications, or any portion thereof, and the terms and provisions of the bid response made by bidder, the City's bid specifications as published shall control. Furthermore, if an alteration of any kind to the City's published bid specifications is only discovered after the contract is executed and is or is not being performed, the contract is subject to immediate cancellation.

17. BID RETURNS including ALTERNATE BIDS
Bidder shall return one (1) "ORIGINAL" and one (1) "COPY" of the sealed bid in a sealed envelope or package of comparable size. Please cut out and affix the bid label on page 26 to the outermost mailing envelope (UPS, USPS, FEDEX, etc...) of your bid to ensure proper delivery!

Bidders must return all completed bids to:
City of Pasadena
City Secretary's Office
1211 Southmore, Suite 115
Pasadena, Texas 77502

by the date and time specified. Late bids will not be accepted and will be returned to Bidders unopened.

18. SUPPLEMENTAL MATERIALS
Bidders are responsible for including all pertinent product data in the returned bid package. Literature, brochures, data sheets, specification information, completed forms requested as part of the bid package and any other facts which may affect the evaluation and subsequent contract award should be included. Materials such as legal documents and contractual agreements, which the bidder wishes to include as a condition of the bid, must also be in the returned bid package. Failure to include all necessary and proper supplemental materials may be cause to reject the entire bid.

19. VARIANCES
For purposes of bid evaluation, Bidders must indicate any variances, no matter how slight, contained in the bid. No variations or exceptions by a bidder will be considered or deemed a part of the bid submitted unless such variances or exceptions are listed in the bid and referenced in the space provided on the bid pages. If variances are not stated, or referenced as required, it will be assumed that the product or service complies with the City's terms, conditions and specifications.

By receiving a bid, the City does not necessarily accept any variances contained in the bid. All variances submitted are subject to review and approval by the City. If any bid contains material variances that, in the City's sole opinion, make that bid conditional in nature, the City reserves the right to reject the bid or part of the bid that is declared, by the City as conditional.

20. DISQUALIFICATION OF BIDDER
Upon signing this bid document, a bidder offering to sell supplies, materials, services, or equipment to the CITY of PASADENA certifies that the bidder has not violated the antitrust laws of this state codified in Texas Business and Commerce Code §15.01, et seq., as amended, or the federal antitrust laws, and has not communicated directly or indirectly the bid made to any competitor or any other person engaged in such line of business. Any or all bids may be rejected if the CITY believes that collusion exists among the bidders. Bids in which the prices are obviously unbalanced may be rejected. If multiple bids are submitted by a bidder and after the bids are opened, one of the bids is withdrawn, the result will be that all of the bids submitted by that bidder will be withdrawn; however, nothing herein prohibits a vendor from submitting multiple bids for different products or services.

21. AWARD OF CONTRACT
21.1. Per Section § 252.043 of the Texas Local Government Code;

21.1.1. If the competitive sealed bidding requirement applies to the contract for goods or services, the contract must be awarded to the lowest responsible bidder or to the bidder who provides goods or services at the best value for the municipality.

21.1.2. In determining the best value for the municipality, the municipality may consider:
(a) the purchase price;
(b) the reputation of the bidder and of the bidder's goods or services;
(c) the quality of the bidder's goods or services;
(d) the extent to which the goods or services meet the municipality's needs;
Commodity Code: 720-64

(e) the bidder's past relationship with the municipality;
(f) the impact on the ability of the municipality to comply with laws and rules relating to contracting with historically underutilized businesses and nonprofit organizations employing persons with disabilities;
(g) the total long-term cost to the municipality to acquire the bidder's goods or services; and
(h) any relevant criteria specifically listed in the request for bids or proposals.

21.2. The City reserves the right to make an award on the basis of low line item, low total of line items, or in any other combination that serves the best interest of the City and to reject any and all bids or line items at the City's sole discretion. For the purpose of evaluation, any item left "blank" will be deemed "no bid".

21.3. The City reserves the right to accept any item or group of items on this bid, unless the bidder qualifies his/her bid by specific limitations.

21.4. A written award of acceptance (manifested by a City Ordinance) and appropriation mailed or otherwise furnished to the successful bidder results in a binding contract without further action by either party.

21.5. Breaking of tie bids shall be in accordance with the Texas Local Government Code § 271.901.

21.6. Although the information furnished to bidders specified the approximate quantities needed, based on the best available information, where a contract is let on a unit price basis, payment shall be based on the actual quantities supplied. The City reserves the right to delete items, prior to the awarding of the contract, and purchase said items by other means; or after the awarding of the contract, to increase or decrease the quantities bid in accordance with § 252.048 of the Texas Local Government Code. No changes shall be made without written notification of the City.

21.7. The City of Pasadena reserves the right to waive any formality or irregularity, to make awards to more than one bidder, to reject any or all bids. In the event the lowest dollar bidder meeting specifications is not awarded a contract, the bidder may appear before the City Council, the governing body and present evidence concerning his responsibility after officially notifying the Purchasing Manager of his intent to appear.

22. EVALUATION

Evaluation shall be used as a determinant as to which bid items or services are the most efficient and/or most economical for the CITY. It shall be based on all factors that have a bearing on price and performance of the items in the user environment. The lower seal of the tandem set of seals functions as the primary barrier between the pumped liquid and the oil housing. This set shall consist of a stationary ring and a positively driven rotating ring both of which shall be silicon carbide or tungsten carbide. Shaft seals without positively driven rotating members or conventional double mechanical seals containing either a common single or double spring action between upper and lower seal faces shall not be acceptable.
