NEWS RELEASE

Date: February 11, 2010

Incident: Burglary Ring

Date Reported: Incident Number: 2010-3276

The newly formed Pasadena Police Direct Action Response Team (DART) has, in just over a week’s time, demonstrated important and positive results by recovering on January 30th $83,000 in stainless steel marine vessel hatches stolen from Galveston, and this week, clearing 11 burglaries that occurred between November 26th and January 31st. Nine of the burglaries were of homes in the Deepwater area, one occurred in Deer Park and one was a vehicle burglary in Galveston. One arrest took place Tuesday, of a juvenile in the burglary ring, and two other adults have been charged. Arrests are pending and additional charges are expected.

Property recovered at this point includes multiple firearms and assorted electronics. Momentum in the clearance of these cases began with a positive fingerprint comparison on January 25th associated with one of the burglaries, in conjunction with investigative collaboration with the Detective Division Property Squad.
